In celebration of GO (Get Organized!) Month, the North Coast Ohio Chapter of NAPO (National Association of Professional Organizers) is working with the West Side Catholic Center.

On Friday, January 3 and Monday, January 6, 2014 our group of organizers will be rearranging the clothing donation room and the “store” where donations are sold. They will add more hanging racks and hooks to the store. This group will also organize the POD of donations where clothing is sorted. In addition to organizing, the NAPO group will be collecting items below in December for the West Side Catholic Center.
